From Wikipedia- On Gold Mountain: The One-Hundred-Year Odyssey of My Chinese American Family describes 100 years of author Lisa See's family history, providing a complex portrait of her family's hard work, suffering, failures and successes as they moved from China to the United States. The memoir centers on Fong See, the author's great grandfather one of the few who realized the dream of coming to the U.S. and finding "Gold Mountain".

All are welcome. Link to Zoom Virtual meeting room.
